BEING ON TIME IS OUR BUSINESS!

OCCUPATIONAL ROAD RISK POLICY

The aim of this policy is to raise awareness of occupational road risks within JOHN PEARCE GLYNNEATH LIMITED and to reduce the associated risks to employees and members of the public to an acceptable level.

More than a quarter of all road traffic incidents may involve somebody who is driving as part of their work at the time (Department for Transport figures). JOHN PEARCE GLYNNEATH LIMITED recognises that its operation of its motor fleet of both commercial vehicles and cars presents risks to employees and members of the public. Road travel involves a risk of injury and/or material loss and, in the worst case, death. It is therefore essential that foreseeable risks be properly managed to reduce as far as possible the chances of such injuries and damage occurring. This Policy applies to all employees and agency Workers, who are authorised to drive for JOHN PEARCE GLYNNEATH LIMITED.

We take the health, safety and welfare of our employees, contractors and members of the public seriously. We expect every person driving on behalf of JOHN PEARCE GLYNNEATH LIMITED to drive in accordance with all applicable road traffic legislation and the content of the current Highway Code.
