Welcome to the second edition of the John Pearce Newsletter. What's new?

Ausfahrt

— WINNER —
REGIONAL DEPOT
OF THE YEAR AWARD

We were absolutely over the moon when we were informed we had won TPN Regional Depot of the Year for the West. It came at a time when we were striving to adapt to our new way of working during the Covid 19 pandemic and really raised everyone's spirits. We have a great team at John Pearce and this is testament to them all.

We couldn't do a newsletter without talking about the Covid 19 pandemic. It has certainly been a challenging few months and I know we will have further challenges as we continue to find a new way of working. We have issued all our drivers with a safety pack including hand sanitizer, anti bacterial wipes and hand washing advice. They have gloves and visors at their disposal. We have added hand sanitizing stations throughout the building and installed clear plastic screens around workstations. Staff that can do are working from home and those that can't are seated 2 metres apart. We are very proud that our staff have changed and adapted their ways of working according to both our needs and those of our customers. We have maintained the high levels of customer service that John Pearce Transport is so well known for.

New additions to the fleet!

Early March saw the delivery of a brand new 18 Tonne DAF complete with cantilever tail lift.

We have recently added a Palfinger four way truck mounted forklift to our fleet. This enables our drivers to load and unload much more easily and in more confined spaces. This in turn reduces customer waiting time and improves efficiency.

Don't forget to check out our brand new website!

Cakes for NHS workers

Dawn Lee, wife of our driver Tony, has been really busy during lockdown, baking cakes and delivering them to NHS key workers throughout Merthyr and the surrounding areas. Dawn has made 100's of them! They look amazing!

Special deliveries!

John Pearce Transport has been proud to support the NHS throughout the pandemic with urgent deliveries into the NHS Nightingale Hospital in London and Cardiff. We have delivered ventilator parts, beds, medical equipment and PPE to name a few.

Another happy customer!

'We are absolutely bowled over by your service and cannot fault you - extremely happy!'

Altech Uk Labelling, Bridgend
